2019 – 2020

Redeemed Christian Church of God Bible College and Seminary treasures a faith that was once committed to the saints. 65 years ago a miraculous movement was launched in obscurity. Today God has made that movement into a global force. It is critical to look into the future and ask: what shall become of this movement after our era.

The Redeemed Bible College desires to be God's agent to equip a new generation of leaders and vision carriers. These unique individuals will reach out to a new world and touch a new population with a true gospel whose power is new every morning.

We are passionately inviting you to come to the Bible College and be equipped to be one of those who will change a new world.
